Motor Vehicle Administration

Please complete the enclosed application and return with a Driving Record from each state in which you have held a Driver's license in the past three years other than Maryland. Accompanying the application you must also submit a receipt from the Criminal Justice Information System-Central Repository attesting that you have participated in the Live Scan fingerprint process to initiate a criminal background check of state and federal records. To assume that you are participating in the required process as outlined in COMAR 11.23.02, you must provide the following information at the Live Scan site when you report for fingerprinting.

Legislative Authority: TR§15-804, annotated code of Maryland.

ORI # MD920497Z (for federal records);

CJIS authorization #0800006034 (for state records).

Failure to provide this information at the time of fingerprinting will result in the incorrect reporting process, which will render the results of the background check invalid for the intended purpose. This will require that the process be repeated utilizing the above information. For this reason, it is strongly recommended that you take this page with you when you report for fingerprinting.

The application, driving record and criminal record check receipts must be completed and returned to the Driver Education Program at the Glen Burnie Motor Vehicle Administration room 207.
